Two hour sailing experience:

- Participate as crew or sit back and relax

The America's Cup is the world's oldest and most prestigious sporting trophy and ultimate yachting regatta. Usually the domain of billionaires and elite professional yachties, NZL 40 and NZL 41 offer the unique opportunity for everyone to participate sailing on these grand prix racing machines.

With the America's Cup being raced here in 2000 and 2003, and Sail NZ being the official Emirates Team New Zealand supplier, no trip is complete without experiencing the real Auckland, 'City of Sails'.

Additional to daily sailings, group charters are available. The ideal tool for networking, an impressive corporate function or exciting social occasion. Numerous options exist which can cater for your group of up to 300 people.
